

# KITTEN FLOWCHART

## FOR MILWAUKEE COUNTY

1

Surprise! My cat had kittens.

OR

2

An outdoor cat had kittens and I cannot find homes for them.

If you are sure that no one owns them, they can be brought to WHS. The kittens should be at least 6 weeks old and eating on their own.

Someone owns them, but I can't contact the owner.

Example: a tenant left them after moving, you were pet-sitting and can't reach the owner, etc.

OR

4

I found them and there is no info to contact a possible owner.

Example: Found kittens on a construction site, found kittens near the playground in a park, etc.

Never remove mom from kittens! Babies need mom for their well-being until they're at least 6-8 weeks old and eating on their own.
