2024 MADACC Budget Highlights

MADACC strives to provide animal control and sheltering services for the 19 municipalities that comprise Milwaukee County in a cost efficient manner.

Organizational Chart (page 8): MADACC is back to a full compliment of veterinarians and has formalized reporting roles to streamline efficiencies and promote focused oversight. If our current intake levels continue we will be needing to increase staffing in the front office, animal care department and the medical department and will address those needs for the 2025.

Overall Summary (page 11): We anticipated a small surplus for 2022 and 2023. We are projecting a shortfall this year of -\$147,224. There are two factors responsible for this. The need to order two new vans in 2024, when we only usually purchase one. We have not been able to purchase a new van since COVID. As well, in our Capital Projects, we are moving the HVAC replacement to 2024 as we were able to keep all units in working order. We anticipate with two full time vets on board that we will be able to overcome this shortfall in 2024 when we resume public spay/neuters and increase vaccine appointments.

General Fund Summary (page 12): For the 2022 and 2023 proposed budget, small positive surpluses were anticipated, 2024 wil result in an operating deficit of -\$42,224.

Revenues (page 13): The 2024 budget reflects a 4.0% increase in Billings to Members. For 2024, other projected revenue is approximately the same.

Personnel Costs (page 14): We are proposing a 2% merit increase in 2024. We are budgeting for a potential 9.02% increase in our personnel costs. This is mostly due to the addition of two full time veterinarians under the current market conditions and a larger than usual increase in health insurance costs.

Contracted Services (page 15): This category has increased by .25%.

Materials and Supplies (page 16): Total expenses in this account have decreased 1.89%.

Capital Outlay (page 17): Because we have not been able to arrange the purchase of a new van since COVID we have ordered two at the end of 2023 which will be delivered in 2024.

Capital Projects Fund (page 18): Due to a large surplus in the Capital Projects Fund, members will not be billed the annual \$50,000 for Capital Projects in 2024. We will evaluate the financial and economic conditions in 2025 to determine if charging this contracted amount will be necessary.

Debt Service Fund (page 20): The Debt Service schedule for the Wauwatosa Note for the building renovation is represented in the 2024 budget

Special Revenue Fund (page 22): License and Ordinance Fees are recognized within a Special Revenue Fund. These fees are “pass through” funds collected by MADACC and passed to members. In 2024, MADACC will retain 50% of license fees sold at MADACC’s facility as a License Fee Handling Retainage of approximately \$165,000. These funds help MADACC offset administrative and material costs associated with the selling, issuing and mailing of pet licenses for the municipalities. Additionally, the revenue offsets higher increases in Billings to Members.

Reserve Accumulation and Fund Balance (page 23): The combined fund balance remains positive at the end of 2024 due to a large fund balance in the Capital Projects Fund and a positive balance in the General Fund. MADACC will maintain a surplus in the General Fund as recommended by MADACC’s auditing firm Baker Tilly.

Attached at the end of the presentation are the individual member billing spreadsheets (see pgs. 24 -27).

MISSION STATEMENT

To provide animal regulation and care services which protect the health, public safety and welfare of people and animals in Milwaukee County.

PURPOSE

- Provide effective and cost efficient animal control services by active enforcement of Wisconsin State Statutes pertaining to animal welfare
- Ensure safe, temporary shelter, veterinary and humane care for stray, unwanted, abandoned, mistreated and injured animals
- Provide a central location for owners to find and recover their lost pets
- Expedite the return of animals to their rightful owner
- Provide a progressive animal licensing program for Milwaukee County
- Provide and encourage responsible, safe placement opportunities for homeless animals
- Promote and maintain the highest levels of customer service and accountability to the public
- Educate the public about responsible companion animal ownership
- Provide humane euthanasia and disposal of stray and unwanted animals when necessary
- Provide low-cost basic veterinary services to residents of Milwaukee County to help control pet overpopulation and increase the health and wellbeing of the pet population in Milwaukee County

MADACC ORGANIZATIONAL GOALS

- Expand licensing program through marketing plan, partnerships with Milwaukee County veterinarians, low-cost clinics to the public and web licensing
- Develop and maintain public awareness campaign for MADACC services and programs including website and brochures
- Research new revenue generating programs and grant opportunities
- Enhance partnerships and collaboration with municipal law enforcement agencies, prosecutors and humane organizations to improve outcomes of animal cruelty and other criminal cases
- Develop partnerships with other animal welfare organizations to address community needs in an effort to decrease shelter intake
- Improve and develop new strategies to increase transfer of animals to traditional and non-traditional animal placement partners
- Develop infectious disease control protocols to increase the overall health in shelter animals
- Provide comprehensive customer service training for shelter employees
- Develop humane education materials and presentations on responsible pet ownership
- Promote the practice of permanent identification of companion animals by providing low-cost microchipping service and registration
- Expand volunteer program and adoption program

Field Services

Field staff provides enforcement and rabies control services in accordance with Wisconsin State Statutes seven days a week. Services include pick up of stray, lost, dangerous, abandoned, sick, mistreated, neglected and injured animals to prevent human and animal injuries, the spread of disease and help prevent animals from becoming nuisances to the community or a burden to its citizens. Animal control services to include safety classes are performed for and in close association with law enforcement agencies, the Milwaukee Department of Neighborhood Services, health departments and other agencies throughout the county.

Goals:

- Prevent injury and damage to the public caused by stray animals by collecting and containing such animals
- Protect the health and safety of stray animals

Objectives:

- Provide pickup of approximately 4,000 animals per year

Medical Department

Medical Department provides medical care services for shelter animals 365 days-a-year. Services performed by the medical department include routine veterinary care, microchipping, testing for infectious disease, medical treatment for urgent conditions, vaccine and parasite treatment, rabies quarantine observation and humane euthanasia.

Goals:

- Maintain the overall health of the shelter population, including intake exams, vaccinations and administering medications
- Administer routine and limited emergency care to animals in MADACC's care
- Focus on community initiatives to improve community animal health and decrease shelter intakes which include vaccination programs and low-cost spay/neuter services
- Efficiently manage state mandated rabies quarantine program

Objectives:

- Maintain optimal shelter health at all times and address the needs of all animals in MADACC's care
- Protect the community by increasing the number of animals with rabies vaccines in Milwaukee County
- Reduce shelter intake by performing low-cost sterilization surgeries
- Increase public awareness of animal health issues and stress importance of basic medical care for companion animals
- Increase the number of animals reunited with owners by implanting microchips in public owned animals
- Reduce the number of animals euthanized for medical reasons

Shelter/Care Services

Shelter staff provides veterinary care, food, water and a clean and sanitary environment to nearly 10,000 animals every year. Services provided for animals 365 days-a-year including population management, disease control through cleaning protocols, coordinating animal transfers to placement partners, placement of adoptable animals is done through MADACC's in-house adoption program.

Goals:

- Provide a safe, sanitary environment for all animals and the public
- Prevent the incidence of disease of housed animals
- Utilize volunteer labor

Objectives:

- Provide shelter and care for nearly 10,000 animals per year
- Improve animal placement programs and increase partnerships with animal welfare agencies
- Improve infectious disease protocols
- Research available community service and internship programs

Administrative/Office Services

Administrative/Office staff provides courteous, professional assistance to citizens of Milwaukee County. This includes receiving, dispatching and referring animal related service requests, overseeing animal license program, accepting animals brought to the facility, facilitating animal redemptions, processing lost animal reports, maintaining all records and monitoring all revenue.

Goals:

- Receive and intake approximately 6,000 animals brought to the facility by the public
- Provide accurate, appropriate and complete information to the public
- Increase efficiency of administrative procedures
- Increase percentage of animals returned to owner
- Increase animal license compliance
- Facilitate adoptions via

Objectives:

- Optimize use of software programs to maintain all records and revenue and to assist the public
- Reduce paper use by doing more work via computer and online
- Streamline processes for better efficiency

Volunteer Services/Community Outreach

The Volunteer Coordinator/Community Outreach director provides direction and supervision of over 175 volunteers who work within the shelter, at off-site locations and events, and coordinates off-site foster care for MADACC animals. Additionally, this department oversees the marketing and information distribution to the residents in all 19 municipalities in Milwaukee County.

Goals:

- Increase the number of regular volunteers who can provide assistance to staff and provide the animals with enrichment activities such as dog walking
- Provide accurate, appropriate and complete information to the public and the media regarding MADACC operations and public service information
- Develop humane education programs for the public
- Increase the number of foster homes that can care for adoptable animals off-site until adoptive homes are found
- Increase animal license compliance and return to owner rates through education and programming

Objectives:

- Develop marketing plan to inform the public of organization services and programs
- Establish partnerships with local media outlets, community organizations, and municipal officials to ensure that organization news, updates, programs and animals are promoted to the community
- Increase contact with the public through educational programming for the community via school visits, attendance at municipal events and holding fundraising or educational events at the shelter
- Increase website, social media, and educational information to update the public on events, activities and information on various animal related topics
- Increase public awareness of animal health issues and stress importance of basic medical care for companion animals

Operations Department

The Operations Manager is a multifaceted position and includes roles in the financial, technical, human resource, vendor purchasing, maintenance and safety and security aspects of MADACC. The role of the Operations Manager is to ensure MADACC runs efficiently and in a cost-effective manner.

Goals:

- Manage financial expenditures to meet organizational budget objectives
- Maintain all facets of technology to ensure efficiency of system applications to manage shelter operations
- Execute human resource processes to ensure compliance for all MADACC employees
- Manage general building and equipment maintenance schedules and repairs to support shelter operations
- Maintain proper security controls for people, process and technology

Objectives:

- Create standard operating procedures and implement process improvements in Chameleon shelter software to improve operational productivity
- Control operational costs through competitive supplier analysis and donations
- Generate statistical data to set baselines for making informed decisions to advance future MADACC goals and objectives

Adoption Department

The Shelter Outcomes Coordinator provides supervision of the adoption program and kitten foster program for animals that are still on stray hold (known as pre-select animals) as well as those that have completed stray hold and are unclaimed

Goals:

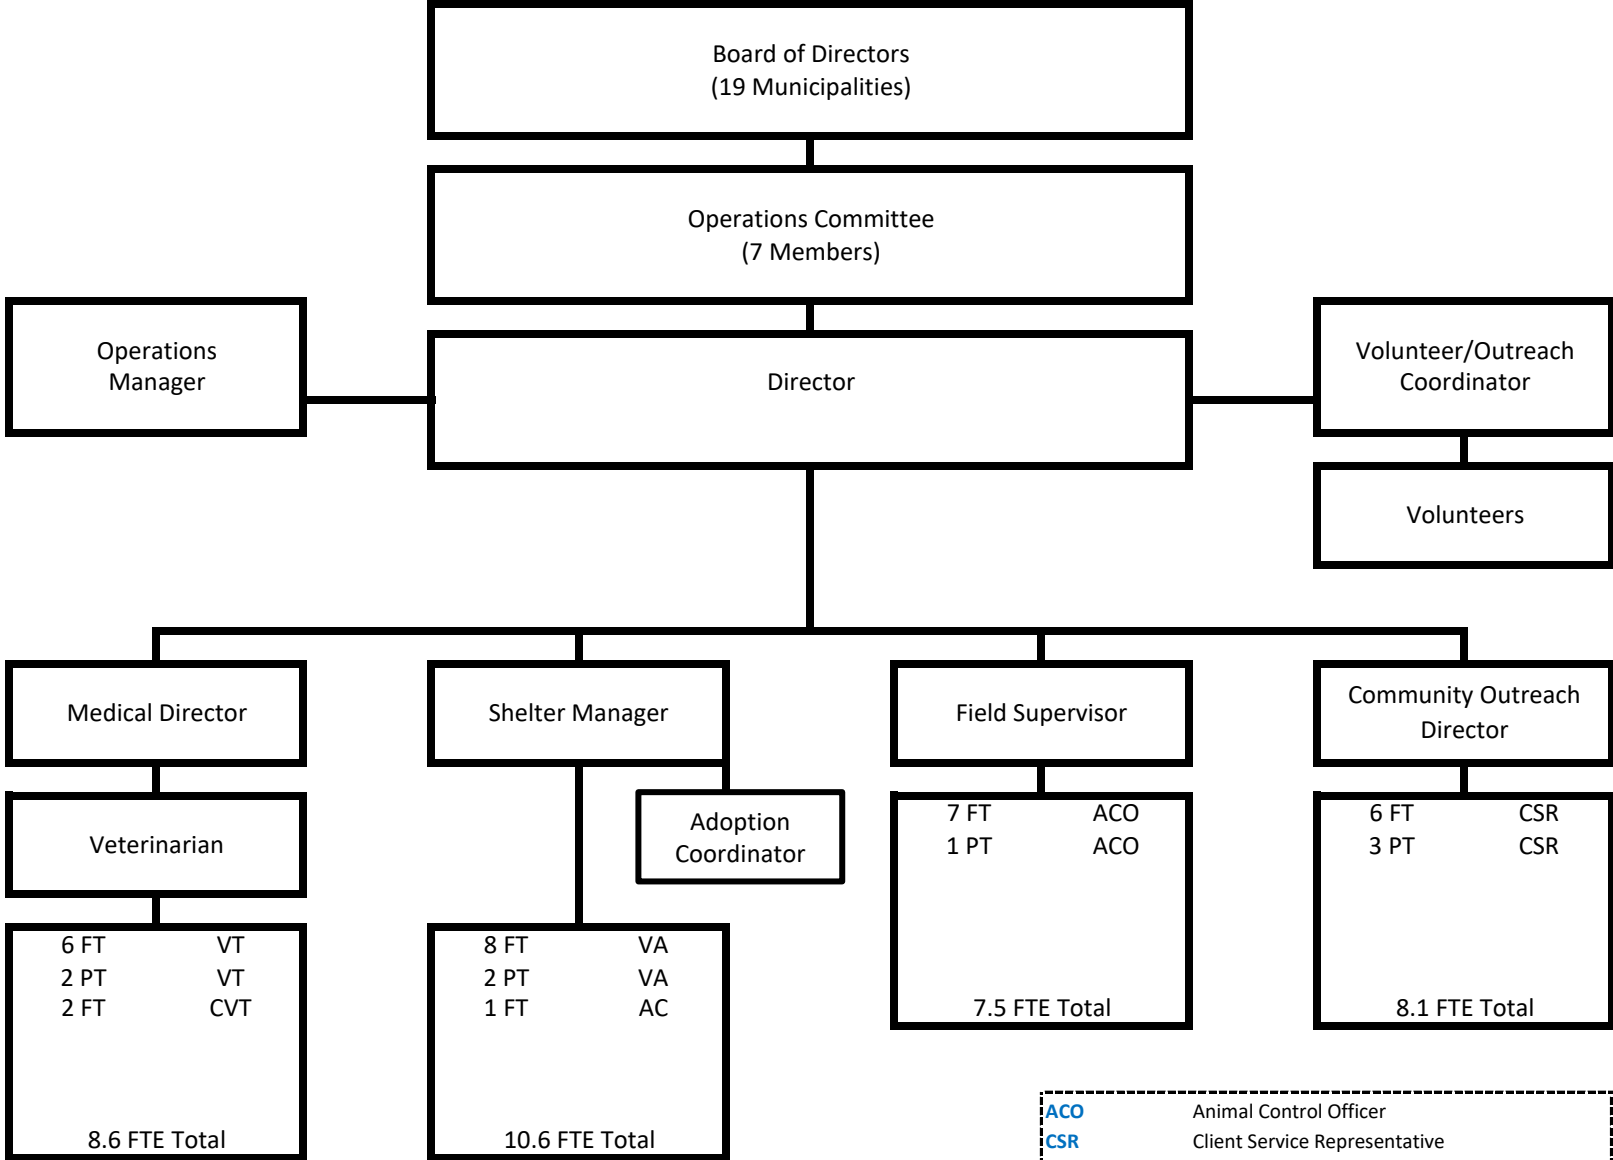

- Increase the live outcomes for both dogs and cats
- Provide accurate, appropriate and complete information to the about our adoption program and our foster programs
- Make sure animals are scheduled for appropriate medical care and vetting prior to adoption
- Increase the number of foster homes that can care for adoptable animals off-site until adoptive homes are found
- Increase volunteer adoption counseling staff

Objectives:

- Develop adoption programs with detailed instructions for volunteers to alleviate staff involvement in non-essential duties
- Ensure that adopters are given complete information not only about how our adoption program works but also help them understand the post adoption process and their responsibilities to their new companions.
- Increase contact with the public through increased responses to adoption applications and visitors to the facility
- Increase website, social media, and educational information to increase awareness of the animals available for adoption.

Shelters nationwide are experiencing a significant increase in large dog surrenders and an increase in the length of stay for shelter strays and adoptable animals. Cats for once are having a moment and while their numbers are traditionally high this time of year, their adoptions seem to have increased. The opposite case for dogs.

We have been dealing with an outbreak of panleuk in the feline population coming into the shelter. Kittens are especially vulnerable due to undeveloped immune systems. Euthanasia is increasing for dogs across the country. Not for MADACC at the moment.

Encouraging licensing, keeping in place animal limits, and promoting sterilizing dog and cats will be the first line of defense in trying to bring these numbers down. We are also looking to increase the offering of vaccine services and potentially wellness opportunities.
